

SAFEHOUSE DENVER IS PLEASED TO INVITE YOU

to participate in **Sampling for Hope**, a casual food tasting event to benefit survivors of domestic violence.

I went to the SafeHouse Denver Shelter with my Mom and little sister...

There was no yelling and no screaming.

Nobody hit my mom.

Nobody hit my sister.

Nobody hit me.

We had spaghetti for dinner . . . my favorite!

There were nice people who helped my Mom and listened to me.

I was away from our house but I didn't cry. I liked it better than home.

Mom said things will be better now and they were. We were safe.

Spaghetti – a simple dish that almost every child enjoys. For many people, food is the universal language that brings us all together. **Sampling for Hope** is your chance to use food to make a difference for survivors of domestic violence. We hope you'll join us.
